- Produced in our BRC certified plants.

- Hand picked and packed using only 100% live cooked *Portunus pelagicus* (blue swimming crab).

- We only buy live whole crabs direct from the fisherman, never from brokers or buying/picking stations.

- Produced under strict guidelines, never mixing or blending other countries or species.

- Micro testing performed on all containers prior to loading and shipping into the US.

- All containers are temped and monitored throughout the entire loading, importing and unloading process. All of which contributes and ensure consistent quality.
