

Slipper Lobster Meat

Learn more at www.harborseafood.com

Our firm, delicious Oyster Bay slipper lobster meat is perfect for soups, stews, salads, and more! Steaming, frying, and grilling work best to bring out its sweet flavor. The meat is IQF and available in a U/2 oz. piece size, great for portion control and plate presentation. It's low in fat and a great source of protein for health conscious customers. Additional servings suggestions: slipper lobster chowder, serve on a bed of veggies or grilled with a lemon butter sauce.
