Octopus is becoming one of the fastest growing seafood trends in the industry. It's mildly sweet taste and tender texture makes it the perfect ingredient for those seeking an exotic experience in a moderate way. Our Oyster Bay gourmet Octopus is handline caught and delivered fresh for processing. It is then cleaned, cooked and sliced before being flash frozen at the peak of freshness, ensuring our quality and consistency comes through in its flavor and tenderness every time. Bring this exciting new item to your establishment and we promise it will be a great addition to your existing menu.
