The classic New England dish, Clam Fritters, in bite size pieces. These bites are packed with flavor - fried, crunchy outer, with the soft, pillowy neutral inside which is light and lean, resulting in a dish that's tender, flaky, crunchy and savory. They're one of the best seafood dishes to enjoy if you like a crispy, savory fresh seafood dish. Great for portion control and can be prepared to accommodate any size for buffets, appetizers, and platters.
