Want to add a delicious gumbo to the menu but can't afford the time and labor to make it in your kitchen? The solution is Miss Sally's Seafood Gumbo. We understand the greatness of any gumbo starts with the roux, which we've been making for over 50 years. Next, we add a heaping amount of shrimp, some delicious crabmeat and flavorful ingredients like tomatoes, onions, bell pepper, okra and our family blend of seasonings. One taste and you'll see why Miss Sally's seafood gumbo should have a place on your menu.
